I. BASIS OF ASSESSMENT OF MEMBER STATES' CONTRIBUTIONS TO UNFICYP FOR THE PERIOD FROM 16 JUNE 1993 TO 15 JUNE 1994

A. Period from 16 June to 15 December 1993

1. By resolution 839 (1993) of 11 June 1993, the Security Council decided to extend the stationing in Cyprus of the United Nations Peace-keeping Force for a further period ending on 15 December 1993. By resolution 47/236 of 14 September 1993, the General Assembly decided "that the costs of the Force for the period beginning 16 June 1993 that are not covered by voluntary contributions should be treated as expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter". The General Assembly also decided "to appropriate the amount of 8,771,000 dollars gross (8,443,000 dollars net) for the period from 16 June to 15 December 1993 and, accordingly, request the Secretary-General to establish a special account for the United Nations Peace-keeping Force in Cyprus". It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $328,000 for the period from 16 June to 15 December 1993.

2. The amount so authorized by the General Assembly was apportioned among Member States in accordance with the provisions laid down in section I.C below and is shown in section IV below.

B. Period from 16 December 1993 to 15 June 1994

3. By resolution 889 (1993) of 15 December 1993, the Security Council decided to extend the stationing in Cyprus of the United Nations Peace-keeping Force for a further period ending on 15 June 1994. By resolution 48/244 of 5 April 1994, the General Assembly decided "to appropriate to the Special Account for the United Nations Peace-keeping Force in Cyprus, in accordance with the recommendations contained in paragraph 18 of the report of the Advisory Committee on Administrative and Budgetary Questions, a total amount of 10,500,000 dollars gross (10,072,000 dollars net) for the period from 16 December 1993 to 15 June 1994". It further decided that there should be set off against the apportionment among Member States their respective share in the Tax Equalization Fund of the estimated staff assessment income of $428,000 for the period from 16 December 1993 to 15 June 1994.

4. The amount so authorized by the General Assembly was apportioned among Member States in accordance with the provisions laid down in section I.C below and is shown in section V below. The apportionment was executed in two parts so as to take into account the provisions of General Assembly resolution 47/218 of 23 December 1992 and General Assembly decision 48/472 of 23 December 1993.

C. Apportionment of the costs of peace-keeping operations

5. On 11 December 1973, the General Assembly adopted resolution 3101 (XXVIII) on the financing of the United Nations Emergency Force (UNEF II). Under the resolution, the membership of the United Nations was divided into four groups: (a) the States permanent members of the Security Council; (b) specifically named economically developed Member States that were not permanent members of the Security Council; (c) economically less developed Member States; and (d) economically less developed Member States that were specifically named. The resolution also specified the amounts of the total appropriation to be distributed among each of the four groups.

6. The four amounts specified in the resolution were established by a methodology intended to produce the following results: the Member States in group (d) would pay 10 per cent of the assessment rates established for the regular budget, those in group (c) would pay 20 per cent, those in group (b) would pay 100 per cent and those in group (a) would pay 100 per cent plus the amounts not otherwise apportioned.

7. Within each group, according to the terms of resolution 3101 (XXVIII), the amount appropriated was to be distributed among the respective group members on the basis of the relative weight of each group member's regular rate of assessment in relation to the total rate for the group.

8. The scheme for the apportionment of costs set out in resolution 3101 (XXVIII) has continued to be applied since that time for all peace-keeping operations financed through assessed contributions, including UNFICYP. However, the composition of the four groups of Member States has changed repeatedly since 1973 as a result of the admission of 52 new Member States, including 6 new Member States in 1993, and the decisions contained in the various General Assembly resolutions, the latest of which is resolution 43/232 of 1 March 1989, as adjusted by resolutions 44/192 B of 21 December 1989, 45/269 of 27 August 1991, 46/198 A of 20 December 1991 and 47/218 of 23 December 1992 and decision 48/472 of 23 December 1993. The percentage shares shown in section IV below demonstrate the results of the application of the scheme, using the scale of assessments for the period 1992-1994, adopted by General Assembly resolution 46/221 A of 20 December 1991 and adjusted in accordance with decision 47/456 of 23 December 1992 and resolution 48/223 A of 23 December 1993.
